

The JCO Leadership in Community Award

The JCO aims to inspire, empower and encourage others, particularly children, to get involved and make a difference for others in their community. In keeping with this mission and in recognition of the outstanding efforts of our long-time Co-President Lisa Halperin, in 2017 the JCO of Northern Bergen County created the *JCO Leadership In Community Award* designed to recognize youth in Bergen County who have demonstrated a commitment to community service. Candidates for this award must display extraordinary leadership, initiative and dedication to helping others through fundraising and/or hands-on support.

The application process will open to the community every Fall and one award recipient will be selected by the JCO Executive Board each winter. Recipients will be selected based upon age, creativity, duration of efforts, and overall dedication. The recipient will receive community recognition, a gift card for personal use, and the ability to direct a donation, payable by the JCO, to the registered 501(c)(3) charitable organization of his or her choosing. We are thrilled to be able to formally recognize youth who have made “giving back” a priority and passion.
